Due to the global epidemic of COVID-19, we are forced to postpone ELTON JOHN's concerts scheduled for this year at the Accor Arena.

To all my fans,

Rescheduling my concerts is never a light decision, but my priority is always the safety of all parties, including my tour team, venue staff, and of course you, my incredible fans.

It breaks my heart that we had to postpone the 2020 dates that we all eagerly awaited, but my team and I worked diligently on the postponements for 2021.

As you can imagine, the tour is a huge undertaking, so we needed time to make sure that we can come back to each city and play all the concerts that we already have on sale. Thank you for being patient.

I look forward to continuing the 'Farewell Yellow Brick Road' tour next year and seeing you by my side, as you have been for so many years throughout my blessed career.

Keep everyone safe and healthy.

-Elton John-

Tickets purchased for the original concerts **will be valid for these reports**. However, customers who already wish to have their tickets refunded can contact the point of sale where they were purchased, within two months, until September 7, 2020 inclusive.

We deeply regret these reports and thank the spectators for their understanding.
